VISION CREATOR: DAWN DAVIDSON DESIGN TEAM OF DESIGN LINE INTERIORS

Featured on the prestigious Corona del Mar Home Tour, this Newport Beach contemporary bay front manse imbues comfort, luxury and visual appeal.

Custom imports include a Santa & Cole chandelier from Spain, Fontenay Clair limestone from France and zebra wood from Central Africa.

Nature's palette, sand-hued neutrals paired with accents and art work in shades of greenery, is evidenced throughout the home.

Finishes and furnishings purveyed from the nation's highest quality manufacturers include Du Chateau's fine sawn ebony wood and Ironies mindi wood.
