

PATTERSON CUSTOM HOMES of NEWPORT BEACH, CA
Awarded Best Of Houzz 2020

The Annual People's Choice Award from the Houzz Community Highlights Home Remodeling and Design Professionals with Most Popular Designs and Top Ratings

NEWPORT BEACH, CA, February 12, 2020 – Patterson Custom Homes of Newport Beach, CA has won two “Best Of Houzz” awards for Design and Customer Service on [Houzz®](#), the leading platform for home renovation and design. The largest independent custom home builder in Orange County was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.5 million active home building, remodeling and design industry professionals.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2019. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best Of Houzz 2020” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“We are incredibly honored to receive two Best Of Houzz Awards for Design and Service for the eighth year in row,” said Andrew Patterson, President and Founder of Patterson Custom Homes. “Houzz is an incredible platform for us to showcase our work to new clients and our business was built on providing an incredible experience for our clients, so it is very meaningful that our team has once again been recognized by the Houzz community in these two categories.”

“This year’s Best Of Houzz awards go to an incredibly talented and service-oriented group of home remodeling and design professionals, and we’re proud to highlight the winners on the Houzz website and app,” said Liza Hausman, Vice President of Industry Marketing for Houzz. “This award is particularly meaningful as it reflects the sentiment of the millions of homeowners in the Houzz community who are hiring home professionals for their projects across the U.S. and around the world.”

About Patterson Custom Homes

Patterson Custom Homes is Orange County’s premier custom home builder, specializing exclusively in building custom homes and luxury estates in Coastal Orange County. Having built nearly 300 homes with a full-time staff of 25 people and a large trusted network of subcontractors, Patterson Custom Homes is raising the bar and setting The New Standard in custom home construction with a white glove approach to construction. Every home is built to last for generations, with high-quality building materials and innovative building methods that go far beyond what is required by building code, and the team professionally maintains their homes post-completion through the Patterson Custom Care preventative home maintenance program, addressing everything big and small on an ongoing basis to keep to ensure their homes remain

in pristine condition. The largest project to date is a 14,000 square foot waterfront home that set a record in 2019 as the highest selling home in Newport Harbor for just over \$35 million.
