

Patterson Custom Homes of Newport Beach, CA Awarded Best of Houzz 2022

2022 people's choice award highlights top home professionals among the Houzz community, based on quality service and most popular designs

Newport Beach, CA, USA, January 27, 2022 – Patterson Custom Homes of Newport Beach, CA has won a “Best of Houzz 2022” award for Design and a “Best of Houzz 2022” award for Customer Service on [Houzz](#)®, the leading platform for home remodeling and design. The 20-year-old premier custom home builder was chosen by the millions of homeowners that comprise the Houzz community from among more than 2.7 million active home building, remodeling, and design industry professionals.

This is the 10-year anniversary of the Best of Houzz awards program, and the 10th year in a row that Patterson Custom Homes has been awarded this recognition for both Design and Service.

Badges are awarded annually in three categories: Design, Customer Service, and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2021. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

“Best of Houzz 2022” badges appear on winners’ profiles as a sign of their commitment to excellence. These badges help the more than 65 million homeowners and home design enthusiasts on Houzz to identify popular and top-rated home professionals for their projects.

“We are honored to receive two Best of Houzz Awards for Design and Service for the tenth year in row,” said Andrew Patterson, President and Founder of Patterson Custom Homes. “Exceeding our clients’ expectations and taking a white-glove approach to custom home building has always been our goal for the past 20 years. It is very meaningful that our team is part of the top 3% of professionals on Houzz who receive these awards each year and that we have been recognized for our work and the level of service we provide for the past ten years in a row.”

“We launched the Best of Houzz awards program over a decade ago to highlight the work of the most talented and customer-focused professionals in our industry,” said Liza Hausman, Vice President of Industry Marketing at Houzz. “When homeowners come to Houzz to find professionals to complete their projects, the Best of Houzz badges offer a marker of credibility, supporting their decision to move forward. We are extremely proud of this year’s winners, many

of whom have won multiple times, and we're pleased to give them this recognition and a platform on which to showcase their expertise."

About Patterson Custom Homes

Patterson Custom Homes is Orange County's premier custom home builder and has been specializing exclusively in building custom homes and luxury estates in Coastal Orange County for the past 20 years. Having built nearly 300 homes with a full-time staff of 32 people and a large, trusted network of subcontractors, Patterson Custom Homes is raising the bar and setting The New Standard in custom home construction by bringing a white glove approach to home building. Every home is built to last for generations, with high-quality building materials and innovative building methods that go far beyond what is required by building code, and the team professionally maintains their homes post-completion through the Patterson Custom Care preventative home maintenance program, addressing everything big and small on an ongoing basis to ensure their homes remain in pristine condition. The largest project to date is a 14,000+ square foot waterfront home that set a record in 2019 as the highest selling home in Newport Harbor for just over \$35 million.
